

Corporate Profile

Over 22 years in the Thai energy market

GMS Interneer

Oil & gas equipment trading

GMS Solar

Solar equipment trading

Who We Are

GMS Interneer and GMS Solar are industry leaders in providing oil and gas equipment to Thailand's Exploration and Production Industry and driving the nation's transition to low carbon economy.

Our Companies

Establishment Year: 2002

GMS Interneer

Oil & gas equipment trading since 2002

Established in 2002, we are proud to be able to introduce the world-class oil&gas equipments to Thai Exploration and Production Industry. As an integral part of the supply chain, the industry supplies gas to fuel 70% of Thai electricity generation, enhancing Thailand growth.

GMS Solar

Solar equipment trading for commercial users

GMS Solar was established to accelerate Thai corporations' journey towards Carbon Neutrality. We assist our customers in achieving 100% renewable energy goals through Renewable Energy Certificates (RECs) and solar solutions. Additionally, we proudly represent cutting-edge technology solar equipments from all over the world.

Our Latest Offering: **REC Thailand** by GMS Solar

REC Thailand, a service name under GMS Solar, is a leading provider of renewable energy certificates (RECs) in Thailand. As an I-REC trader and broker, we specialise in four key technologies: Solar, Wind, Hydropower, and Biomass, ensuring our clients receive the highest quality certificates. Our RECs are internationally accredited by I-REC, and locally verified by EGAT ensuring highest quality. Our portfolio also includes carbon credits. We offer T-VER, VERRA, and Gold Standard credits, further demonstrating our dedication to sustainable energy practices and environmental stewardship.

Giving Back

REC Thailand by GMS Solar are aware of the social and environmental concerns. Therefore, under the name of GMS Group, **GMS Charity** was founded with the promise to provide support to local projects and creating opportunities for the community.

Our achievement starting from supporting investment for Thai farmers in Lampang. During Covid-19 are spreading all-over many areas **GMS Charity** decided to donate directly to nonprofit organizations in 2021 at Central Phuket

We also cooperate with PTT Group, our partner, to participate in activities such as hosting the PTTEP Charity Golf Tournament from 2019 until now. Participated in restoring the marine environment activity in 2023.
